

# DISTRICT 4 TOASTMASTERS

Saturday May 30

8:30 AM -1:30 PM

**Hall of Fame**

## Hall of Fame

**A**t the beginning of this Toastmasters year, I challenged us to empower each other to grow into better versions of ourselves. This began with establishing a strong foundation on which to grow, which we find in the Toastmasters educational program.

Despite the additional challenges we all faced this year, our progress was unimpeded. We innovated by hosting online meetings and contests to empower our members to continue their educational journey while building bridges to connect with Toastmasters from around the world.

Today, we celebrate our achievements towards establishing this strong foundation and all the individuals who helped make it possible through their support and servant leadership. Each of these milestones represent growth and the results of our mutual empowerment. Congratulations District 4 Toastmasters! I applaud our perseverance!

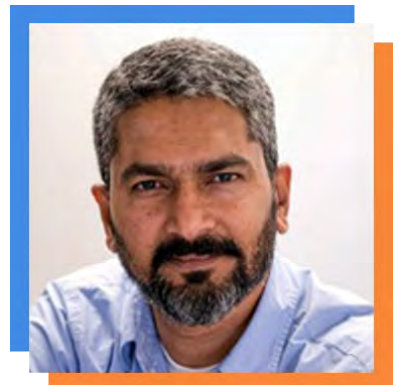

**Kitzzy Avilés DTM**  
DISTRICT DIRECTOR

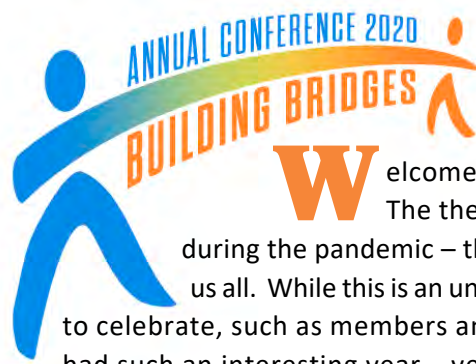

**T**his year has been unique in many ways. We have the legacy communication system all set to expire. We also had an unexpected twist in our lives, with a virus causing all possible havoc and destruction around us. But as a community, we didn't let any of these challenges divert us from the goals, that we set for ourselves, our clubs and for the District. We adapted 33 to the new reality and kept moving forward.

Given below is the list of Toastmasters who achieved milestones, and Clubs which collectively worked towards their goals, achieving incentives on the way.

The list signifies persistent, sustained effort, dedication and drive. So, please join me in giving them a big round of applause!! Go District 4!!

**Kalidas Cheroolil DTM**  
PROGRAM QUALITY DIRECTOR

## Hall of Fame

Welcome to our 1st Virtual District Conference! The theme Building Bridges is especially crucial during the pandemic – the sense of connection and caring unites us all. While this is an unprecedented time, there are always things to celebrate, such as members and clubs achieving their goals! We have had such an interesting year – yet many members have risen to the challenge and achieved their goals.

Here you will see our very best – educational sessions, speakers, contestants and people from all walks of life who all connect us together – the seasoned, the young, the experienced and the newcomers. All will get our very best at the Conference!

We have heard many great speakers and now we will hear the best of the best compete for the title of District Champion in both Evaluation and International Speech Contests. There can be only one (of each!)

Thanks to all who have supported the District and Club Growth Team in so many ways – I am humbled and grateful to be among you.

### **Tim Carlisle DTM**

CLUB GROWTH DIRECTOR

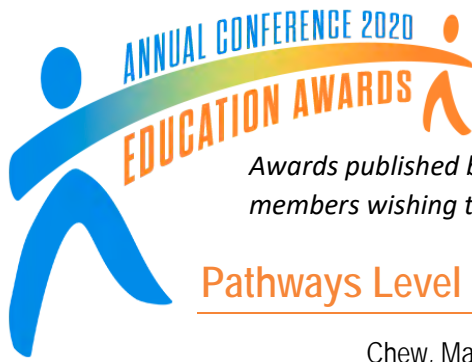

Welcome everyone! This year's conference, like life in general the last few months is a change that will mark a turning point in our history I will most remember how well our teams both within the District and World Headquarters have responded to support our members throughout all the rapid and drastic changes we have been challenged with to keep everyone informed, connected and on track to achieving their goals. I cannot adequately express the deep gratitude that I feel for our entire Public Relations team in stepping up to this challenge of maintaining our communications channels and guidance through this crisis. Today is a day to celebrate not only our unsung heroes, but our many achievements and those who have overcome the technical challenges of performing virtually to make it to this point. While there can be only one District 4 champion in each of our contests, all of these contestants are champions in their own right.

Congratulations to all our champions, new Distinguished Toastmasters, and participating members. I salute you all for staying the course and overcoming your many challenges to help build the bridges that keep us all connected because we are stronger together. Your achievements and attitude are an inspiration to us all. Now, it's time to enjoy the show and remember to be lavish with your praise and applause because it is so well deserved and much harder to see and hear online.

### **Stephen Chin DTM**

PUBLIC RELATIONS MANAGER

Awards published by Toastmasters International from July 1, 2019 to May 24, 2020. Excludes members wishing to remain anonymous.
